

Praying Together

The Monthly Update for our Global Power Partners

October 2011

2595 Baker Road, Suite D • P.O. Box 1058 • Acworth, Georgia 30101 • (770) 529-8610

It's official. *Global Focus* is moving into a new chapter of our much blessed history! We are beginning a year-long project to deliver our ministry via the internet. Join with us in praying that this will multiply our global influence and enable us to cross generational lines.

PRAISE

- **Our board has unanimously endorsed a plan for *Global Focus* to develop an electronic delivery system on the internet including on-line seminars and training, e-books, podcasts and more. Our new board member, Landon Reesor, will lead this effort.** The strategic plan will be quite extensive and will take about a year to implement. **This will enable us to deliver this ministry beyond our shores to the ends of the earth!** It will be costly, but will be critical in enabling us to have a global influence and minister to the generations of today. **Please pray for wisdom and for God's provision.**
- Judson Baptist Church in Nashville, Tennessee, just concluded their first year of *Coaching Services* with a *Global Focus Impact Celebration*. The church utilized a monthly prayer guide that *Global Focus* recommends and then conducted a prayer campaign. **Attendance was great and participation was outstanding! Over 300 people committed to engage in mission projects. Several are praying about full time service and their Faith Commitment was over \$303,000! Their Senior Pastor, Dr. Gene Mims, said, "We will never be the same!"**
- **In the Seattle area we had a very successful *Global Focus Seminar* at Lifeway Church in Federal Way, Washington.** In November we will begin *The Coaching Process* and do a *Global Focus Seminar* for Gateway Fellowship as well. **We believe these two churches**

will lead our efforts to minister to many churches in the Northwest. God willing, we will partner with other Christian organizations and churches in these mobilizing efforts. **Please pray!**

- Larry had very productive meetings with Decio Carvalho, Executive Director of Comibam, in Puerto Rico. **Pray for wisdom as *Global Focus* and Comibam pursue a partnership which would enable *Global Focus* to minister to all 24 Spanish and Portuguese countries in the world.**

PRAYER

- Bob Wagoner, our new Asia Director, will be at *Global Focus* the week of October 10th thru 14th for training for his new duties. **Please add Bob and Marty to your prayer list.**
- On Sunday, October 23, Larry will preach at Midway Macedonia Church in Carrollton, Georgia for the closing of their *Global Focus Impact Celebration* that will conclude with their signing a ten year international partnership! *Global Focus* and Midway Macedonia Church will work together to begin *Global Focus* chapters in at least five countries of the world. **We PTL for Pastor Todd Wright and his people for their vision and commitment to mobilizing churches globally thru *Global Focus*.**

Please prayerfully consider making a Kingdom investment in *Global Focus*! Visit our website, www.globalfocus.info/invest.htm to discover how to make your contribution on-line.

Empowering the Local Church for Global Impact
